

Acharya & BM Reddy College Of Pharmacy

ABMRCP is a place where education and innovation converge to shape the next generation of pharmaceutical leaders. With a commitment to excellence, cutting-edge research, and hands-on practical training, we empower our students to thrive in the dynamic world of pharmaceutical sciences. Accredited with NAAC A+ and NBA, we ensure the highest standards of quality education and industry relevance. ABMRCP offers interdisciplinary studies, faculty training for pharmaceutical industry recruits, and an IPR Cell for protecting discoveries.

Digital Hub

At Acharya, inclusive education is our top priority. We understand the importance of equipping students with essential tools for success in today's competitive job market, and laptops are integral to this mission. By seamlessly integrating laptops into daily life of students, we ensure that they are fully prepared for the challenges they'll face beyond the classroom.

We provide students with high-configured laptops suitable for their curriculum needs, thereby empowering them to access educational materials and resources seamlessly, whether they're on campus or studying remotely.

We pride ourselves on being a Wi-Fi-enabled campus, providing seamless internet connectivity to our students across our sprawling grounds. We ensure that our students have access to the necessary software tools for their educational requirements.

State-of-the-art laboratories

Acharya boasts state-of-the-art laboratories that provide students with opportunities to gain practical knowledge of theoretical aspects. The specialized labs help students engage in hands-on learning experiences to develop essential clinical skills and competencies. They are equipped with modern equipment and technology to provide students with practical training in pharmaceutical preparation, patient care, diagnostic procedures, and therapeutic interventions. Our collaborations with hospitals ensure that students acquire a comprehensive understanding of all facets of pharmacy.

Through strategic industry partnerships, we secure placements in leading institutions for our students. With an annual influx of over 550 companies, our students have achieved an impressive record package of 65 LPA.

The Training and Placement Cell at Acharya serves as a dynamic bridge connecting academic excellence with professional success. We are committed to preparing students for the competitive industry landscape, ensuring they emerge as leaders in their respective fields. Acharya also provides training to students to enhance their technical proficiency, soft skills, and industry-specific knowledge. Conducted by seasoned professionals and experts, these programs include workshops, seminars, internships, and hands-on experiences.

International Collaborations

Acharya has consistently been a pioneering force in bringing together exceptional minds from around the world, fostering collaborations with more than 80+ renowned international universities and 70+ top industries.

Scholarships

At Acharya, we are committed to fostering inclusivity and supporting students in their academic pursuits, regardless of their geographical origin. Therefore, we extend our scholarship opportunities to both domestic and international students. These scholarships serve as a vital resource in alleviating financial barriers that may hinder students' access to higher education. By offering financial assistance, we empower students to pursue their academic aspirations without the burden of excessive financial strain, enabling them to focus more on their studies and personal growth.

Center of Excellence

Acharya stands as a center of excellence, attracting numerous industries to establish cutting-edge laboratories on its campus. These industry collaborations provide students with unparalleled opportunities for hands-on learning, research, and real-world application of theoretical knowledge, fostering a dynamic environment of innovation and industry integration.

Students gain

- · Enhanced Learning Opportunities
- Industry Integration
- Research and Innovation
- Career Opportunities
- · Networking and Collaboration

Acharya Technology Business Incubator (TBI)

Acharya's Business Incubator is dedicated to nurturing students' entrepreneurial visions, offering crucial support to technology-based startups, and forming strategic alliances between the institution and the fledgling businesses. By guiding startups through early-stage challenges and providing essential aid, the incubator plays a vital role in fostering economic development, job creation, and the realisation of innovative ideas. We ensure that students' innovative ideas persist beyond graduation, offering them the platform they need to succeed.

Life @ Acharya

Library

At the heart of the campus is the Central Library or Learning Resource Centre(LRC) offering a dynamic environment for intellectual exploration. Spanning three floors with a generous 4,289 sqm area, it accommodates up to 500 users simultaneously, serving over 15,000 students, research scholars, and 1,000 faculty members. The LRC boasts multiple study spaces, research support, state-of-the-art ICT facilities, Wi-Fi, and a Virtual Learning Resource Lab.

Sports & Clubs

Acharya has outstanding sports facilities, promoting a dynamic sporting culture that nurtures teamwork, leadership, tolerance, and determination. Annual events like the Acharya Premier League, Football League, Pro Kabaddi League, and Volleyball Tournament highlight student passion and skills, fostering a lively atmosphere on campus in March for healthy competition. Our 10,000-seater stadium, enhanced with state-of-the-art floodlights for optimal illumination, adds a touch of grandeur to sporting events hosted within its premises.

Our students have the chance to participate in a wide range of sports and receive consistent training from seasoned coaches. Engaging in regular training sessions and actively participating in competitions have led to the college receiving numerous accolades through their achievements. Many of our champions at the university level are dedicated to continuously challenging and surpassing records.

Habba

Acharya Habba, our annual techno-cultural fest, is a three-day extravaganza drawing 25,000+ students from 300+ colleges in Karnataka. With 50+ events, it offers a vibrant platform for talent showcases, music, and cultural collaborations, enhancing students' college life. The festival, launched in 2005, has become one of Bangalore's biggest college events, hosting over 50,000 guests in 2023.

Renowned musicians like Gurukiran and Benny Dayal have previously graced the stage at the festival. Numerous talented artists have brought art and music to life at Acharya Habba, showcasing their creativity along with various cultural displays by students.

Hostels

We are committed to prioritizing resident satisfaction, aiming to create an environment where everyone feels at home. We provide a range of diverse facilities and affordable dining options to cater to the needs and preferences of our residents. With a total of 12 residences, 5 allocated for boys and 7 for girls, we can accommodate up to 1500 residents in single, double, or triple occupancy rooms, ensuring a comfortable living experience.

Common areas are thoughtfully equipped with amenities like TVs, newspapers, dining areas, kitchenettes, and laundry facilities, promoting a sense of community and convenience. Each residential building is overseen by dedicated warden members, managers, and supervisors who provide necessary support and guidance.

Our Programs

D-Pharm - Diploma in Pharmacy

This program provides students with a solid foundation in pharmacy principles and equips them by focusing on practical skills for working in pharmacies. They will be taught to prepare, mix, compound or dispense drugs and medicines, ointments, powder, pills, tablets and injections on the prescription of a medical practitioner, dentist or veterinarian.

KNOW MORE

B-Pharm - Bachelor of Pharmacy

A bachelor in pharmacy (B.Pharm) is an undergraduate degree in the field of pharmacy. The future of the pharmaceutical industry holds a wide range of career opportunities for young aspirants. They can work as a pharmacist in wholesale pharmaceutical companies or hospitals.

KNOW MORE

Pharm-D - Doctor of Pharmacy

Pharm.D or Doctor of Pharmacy is one of the new courses introduced in the Indian pharmaceutical education. Doctor of Pharmacy graduates are allowed to practice independently and can prescribe drugs directly to patients.

KNOW MORE

PB-Pharm D - Post Baccalaureate Pharm D

The program is designed to accommodate students who have already completed a bachelor's degree in a field other than pharmacy. It provides a pathway for career changers or those who decide to pursue pharmacy later in their academic journey.

KNOW MORE

M-Pharm - Drug Regulatory Affairs

M Pharm in Drug Regulatory Affairs is a postgraduate program that focuses on providing advanced education and training in the field of drug regulatory affairs. The course is designed to provide students with a comprehensive understanding of pharmaceutical regulations and compliance, as well as the skills needed to navigate the complex and everevolving regulatory landscape in the pharmaceutical industry.

KNOW MORE

M-Pharm - Pharmaceutical Chemistry

M Pharm in Pharmaceutical Chemistry is a postgraduate academic program that focuses on advanced studies in the field of pharmaceutical sciences, specifically emphasizing pharmaceutical chemistry. This program is designed to provide students with in-depth knowledge and expertise in various aspects of pharmaceutical chemistry, including drug design, synthesis, analysis, and development.

KNOW MORE

M-Pharm - Pharmaceutics

M. Pharm in Pharmaceutics is a two-year program focused on research and coursework relating to the development, production and characterization of dosage forms. The program also focuses on the disposition and action of drugs in the body.

KNOW MORE

M-Pharm - Pharmacology

The Master of Pharmacy is a two-year programme designed for postgraduate students. The course is designed to prepare students in all aspects of the pharmacy profession.

KNOW MORE

M-Pharm - Quality Assurance

M Pharm in Quality Assurance is a postgraduate academic program that focuses on advanced studies in the field of pharmaceutical sciences with a specific emphasis on quality assurance and regulatory affairs. This program is designed to provide students with a comprehensive understanding of the principles and practices involved in ensuring the quality, safety, and efficacy of pharmaceutical products.

KNOW MORE

M-Pharm - Pharmaceutical Analysis

The M Pharm in Pharmaceutical Analysis is a postgraduate program meticulously crafted to offer advanced education and training in the field of pharmaceutical analysis. This course provides students with comprehensive knowledge of both quantitative and qualitative analysis of drugs, impurities, excipients, and other pertinent aspects within the pharmaceutical realm.

KNOW MORE

Ph.D - Pharmaceutical Analysis

The Department of Pharmaceutical Analysis aims to focus on the development and validation of analytical methods using new combinations of established instrumentation and approaches. Research in identity, purity, content evaluation and determination of excipients, and active pharmaceutical ingredients (API) in various dosage forms. Research in the department includes analytical sciences pertaining to qualitative and quantitative estimation of natural and synthetic compounds in various matrices with the application of spectroscopy, and chromatographic methods.

KNOW MORE

Ph.D in Pharmaceutical Sciences - Pharmaceutical Chemistry

Our advanced doctoral-level program is designed for individuals who aspire to contribute significantly to the advancement of knowledge in the pharmaceutical sector. The program emphasizes diverse chemistry facets such as organic synthesis, isolation of natural products, drug design utilizing CADD, and various research methodologies.

KNOW MORE

Ph.D - Pharmacy Practice

Ph.D in Pharmacy Practice is designed to provide detailed knowledge and skills required in the practice of pharmacy. Some areas of research that can be pursued are pharmaceutical care services to patients in clinical settings, which include medication reconciliation and medication therapy management.

KNOW MORI

Ph.D in Pharmaceutical Sciences - Pharmaceutics

Tailored for ambitious individuals, our doctoral-level program is aimed at those who wish to make substantial contributions to the evolution of knowledge in the pharmaceutical industry. The department has efficient faculty members and research laboratory equipped with advanced instruments concentrating on Formulation Development.

KNOW MORE

Ph.D in Pharmaceutical Sciences - Pharmacology

Geared towards aspiring scholars, our advanced doctoral program is crafted for those who aim to play a pivotal role in advancing knowledge within the pharmaceutical field. The program places a strong emphasis on independent and original research on Pharmacology and Toxicology, which determine drug actions on the body.

WHERE THE
WORLD COMES
TO LEARN

PROGRAMS OFFERED

ACHARYA INSTITUTE OF TECHNOLOGY

Bachelor of Engineering Programmes (B.E.)

- Aeronautical Engineering
- Artificial Intelligence & Machine Learning Engineering
- Biotechnology Engineering
- Civil Engineering
- Computer Science & Engineering
- Computer Science Engineering (Data Science)
- Electrical & Electronics Engineering
- Electronics & Communication Engineering
- Information Science & Engineering
- Mechanical Engineering
- Mechatronics Engineering

Post Graduate Programmes

- Master of Business Administration VTU
- Master of Computer Application VTU

ACHARYA POLYTECHNIC

Diploma Programmes in Engineering

- Aeronautical
- Apparel Designing and Fabrication Technology
- Architecture
- Computer Science
- Electronics & Communication Engineering
- Electrical Engineering & Electrical Vehicle Technology
- Gaming & Animation
- Mechanical Engineering

ACHARYA SCHOOL OF DESIGN Bachelor of Visual Arts (B.V.A.)

- Animation & Game Art
- Graphic & Communication Design
- Interior and Spatial Design
- Product Design

ACHARYA INSTITUTE OF GRADUATE STUDIES

Bachelor Programmes

- B.B.A Bachelor of Business Administration
- B.B.A Aviation
- B.B.A Business Analytics
- B.B.A Digital Marketing
- B.C.A Bachelor of Computer Application
- B.C.A Cloud Computing
